## 2010 *Artistry in Motion*

### BECOME A ROAD RACE SPONSOR

### 10K, 5K and 1Mile Fun Run

June 25, 2010

- We invite you to join us as a sponsor for the 2010 *Artistry in Motion* Road Race. Joining as a corporate sponsor will give your organization significant visibility among area residents and also among hundreds of spectators, participants and volunteers. All sponsors will be acknowledged in the race brochure and listed among donors in the LOLEF Annual Newsletter and news releases publicizing the event.
- The Lyme/Old Lyme Education Foundation (LOLEF) celebrated a very successful second annual *Artistry in Motion* Road Race last September 12th. With addition of a 10K event and the relocation of the race to Sound View Beach race participation more than doubled from the inaugural race in 2008. The third annual road race will be held on **Saturday, September 11, 2010** and will again start and finish at Hartford Avenue. For more information please visit our Web site [www.artistryinmotion5k.org](http://www.artistryinmotion5k.org).
- Funds raised from this event will provide grants to support and enhance educational programs in Lyme and Old Lyme.
- Enclosed is a descriptive list of suggested sponsorship levels. We also welcome gifts in kind including: water for runners, food for the post-race celebration and volunteer efforts to assist event organizers.

If you are interested in becoming a sponsor, please contact me through our email address—[eventstaff2010@artistryinmotion5k.org](mailto:eventstaff2010@artistryinmotion5k.org) --by July 23, 2010. I look forward to hearing from you. Thank you for your consideration.

Sincerely,

Ken Levin

## THE FOUNDATION'S MISSION

Our goal is to create, continue or enhance valuable educational programs above and beyond those traditionally provided by the Region 18 School District. Our plan is to align our work with the needs identified through the district's strategic planning process and encourage innovative and effective learning opportunities for students of all ages.

The Foundation seeks to raise and distribute funds to enhance or expand enrichment programs, support innovative teaching and learning, and build educational partnerships between students and community members.

## WHO WE ARE
